Applications Form:
The Minducate Science of Learning and Innovation Center Scholarships

Please send the following materials to Yulia Agranat: yuliaagr@tauex.tau.ac.il

Instructions:

> Please submit only 1 combined file in a PDF format + a short video (up to 2 minutes) in the application email. The recommendation letters should be sent separately.

> Please state your Name + Minducate application 2023 in the email headline.

> Application deadline: 5.11.2023.

> The document should be written with margins of 2 cm minimum, font size 12 point, line spacing 1.5, black type. Pages should be numbered.

> A single project is allowed per applicant.

> Support is decided upon every year and given up to 2 years in total.

1. A cover letter that includes the following (1 page):

Minducate PhD Student:

[Name, Ph.D., Email, Title, Affiliation, Phone number]

Proposal Title

PI: [Name, Email, Title, Affiliation]

Requested budget in a short comprehensive manner, including:

• Scholarship percentage. Please note that the PI recommendation letter MUST include the time percentage the applicant will devote to the suggested project.

• Running costs (up to 20,000 NIS which will be allocated to the lab budget and NOT to the Minducate fellow).

2. Detailed research proposal (up to 3 pages):

A. Abstract (up to 250 words).

B. Need/challenge description.

C. The proposed research/innovation/solution/technology.

D. Relevance to the Science of Learning field and how the proposed project will impact this field.

E. Project novelty.

F. Preliminary data.

G. Short budget justification.

H. Project structure timeline.

I. Suitability of the candidate to lead the project, including relevant expertise and experience.

J. Suitability of the PI's lab to guide the proposed project.

3. Applicant CV (up to 2 pages)

4. Recommendation letters

Two recommendation letters should be submitted.

5. A short video:

• The video may be up to 2 min long.

• The video should be in English.

• We recommend adding subtitles (in English) to the video.

• The video should include the following: candidate's name and affiliation, project name, need/motivation and goal. General description of the proposed research plan and impact on the Science of Learning field.

Please note:

• References may be included and are not part of the page limit.

• No appendices should be included and they will not be examined.

• Applications that do not comply with the requirements will not be considered for review.
